

THE SPIRIT OF ADVENTURE

The Spirit is a deluxe long range sport fishing boat with an extended cruising range of 2500 nautical miles. Her design provides for excellent stability and plenty of fishing room on deck. Accommodations are provided in 14 air-conditioned private staterooms. Amenities include a spacious salon with seating for 28, full service galley, flat screen TV with a DVD library and a sun deck. The Spirit has a high capacity refrigeration system that provides for either a RSW (Refrigerated Sea Water) or frozen product upon return. Her "tanked" fish hold design allows for a very large bait capacity.

SPIRIT OF ADVENTURE is all about customer service. Mike Keating, Brian Evans and the crew have spent much of their lives at sea "looking for fish". They understand that you are here- not just to fish- but to have a great time and relax. Our crew strives to make sure your vacation is the best possible, whether fish bite or not.

TACKLE

The Spirit has a limited amount of loaner equipment for use by our passengers (Seeker Rods and Avet Reels with Izorline). Please notify our office in advance if you need tackle.

RESERVATIONS

A 50% deposit will confirm your reservation, with balance due two weeks prior to departure. Charters marked with a name and phone number usually have space available and can be booked directly with the person on the schedule.

Cancellations must be in writing. If cancellation is received ninety or more days prior to sailing date, a full refund, less a \$25.00 administration fee, will be returned. For cancellations received less than ninety days prior to departure, Spirit of Adventure Charters may retain the full amount of the required deposit if the spot cannot be filled.
